Looking forward to all the good things spring offers...baseball, blooming gardens, warm breezes and evenings outside...

Speaking of good things...

I serve on the Affordable Housing Advisory Council of the Community Partners For Change. Community Partners for Change is a coalition of residents as well as public, non-profit and community organizations dedicated to resolving the lack of affordable housing in Cumberland County. Its goal is to effect change in the housing system to obtain equitable, affordable and secure housing for all Cumberland County residents.

We are conducting an affordable housing survey - Here's the link to the webpage. <https://communitypartnersforchange.com>

Please take the time to complete this important survey and if you don't mind-pass it along.

Speaking of more good things... Have you seen our slate of Democratic candidates for this year's primary? Polished, qualified, dynamic winners-on the ballot because of dedicated Democrats working through a shortened, uncertain petition season, snow, sleet, freezing rain and COVID to get our candidates on the ballot! I'm looking forward to helping them win! [#DemocratsDeliver](#)

I had a Zoom meeting last night with the PA Dems. Jason Henry, Nancy Mills, Shavonnia Corbin-Johnson and Senator Shariff Street led a conversation with members of the Democratic Caucus of County Commissioners. The PA Dems are committed to assisting with grass roots infrastructure for this year's election and are committed to our down-ballot candidates!

On March 16, in a 2-1 split vote, Commissioner DiFilippo and I voted in favor of joining Adams and Franklin counties in a Regional Broadband Study (RBS). There are significant broadband purposed dollars coming to PA. Our RBS will be critical in identifying areas of concern so Cumberland County's funds are used in an efficient, cooperative manner to provide affordable, reliable broadband access to Cumberland County.

Cumberland County, Camp Hill, Wormleysburg, Lemoyne, New Cumberland, Lower Allen, East Pennsboro and West Hanover joined together in litigation to stop the tolling of the I-83 bridge. The filing was done in Commonwealth Court on March 21st 109 MD 2022. A hearing is scheduled for April 25th, 10:00 AM at the Pennsylvania Judicial Center.

As always, please let me know if I can help in any way.

Thank you for the opportunity to serve.
